They had to really twist my arm to offer up this little gem. Winx will take you far, whether you are looking for your next show prospect or your next foundation female. Winx's full sister Black Magic was many times a champion, including 2005 RAWF Jr. Beef Heifer Show Ch. Simmental. Winx is following in her sister's footsteps already being crowned Jackpot Champion at Millbrook Fair and Res. Calf Ch. at Peterborough Ex. She is a 4-H project of Victoria's and is entered in the futurity at the Royal. We would like to reserve show rights until after the Royal. Would make a top 4-H project for 2010.

This polled, dark red, full bodied Fleckvieh influenced heifer will be a very productive addition to the winning bidders herd. She has been a standout since birth and is very hard to part with. We feel this heifer is a nice mix of Flechvieh and Fullblood genetics.
